

SOP: Primary Location Page

Read first: [📍 Local SEO for Behavioral Health 101](#)

Before You Build: Eligibility Check

Before creating or approving a Primary Location Page, confirm:

- ☐ There is a **real, physical treatment facility**
 - ☐ The address can be publicly listed
 - ☐ Care is actually delivered at this location
 - ☐ There is **no existing Primary Location Page** for this address
- ✗ If the location does not have an address → **do not create a page**

Before You Build: Eligibility Check

1. URL, Indexing & Page Placement

URL Structure

Page Placement

2. Navigation & Internal Linking Rules

Top-Level Navigation

Pages That MUST Link to This Location Page

Location Page Links Out To

3. Page Structure

SECTION 1: Hero / Orientation Block

SECTION 2: Address & Contact Information (Critical)

SECTION 3: Location Overview

SECTION 4: Services Available at This Location

SECTION 5: Proximity & Service Area

SECTION 6: Trust & Legitimacy Signals

SECTION 7: Conversion Support (Secondary)

SECTION 8: Who Provides Care Here (E-E-A-T)

SECTION 9: Compliance & Safety Disclaimers

1. URL, Indexing & Page Placement

URL Structure

- ☐ /locations/[city-or-area]/ (preferred)
- ☐ One URL per real, physical address

Rules:

- Single canonical URL
 - No parameters
 - No service terms in URL
 - No "rehab-in-city" or keyword-stuffed patterns
-

Indexing Rules

- ☐ Page is indexable
 - ☐ Canonical points to itself
 - ☐ Not blocked by robots.txt
 - ☐ Not redirected from other geo variants
-

Page Placement

- ☐ Lives under /locations/
- ☐ Linked from a Locations index page (if multiple locations exist)

Rules:

- Do NOT place under /services/
 - Do NOT surface as a primary nav item unless multiple locations exist
-

2. Navigation & Internal Linking Rules

Top-Level Navigation

☐ Linked under **Locations** or **Our Locations**

Rules:

- Do NOT list cities individually in the main nav
 - Do NOT treat as a conversion-first nav item
-

Pages That MUST Link to This Location Page

- ☐ Homepage (if single location)
 - ☐ Locations index page
 - ☐ Relevant service pages (Residential, Detox, PHP, etc.)
 - ☐ Contact / Admissions page
-

Location Page Links Out To

- ☐ Tier 1 service pages offered at this facility
- ☐ Contact / Admissions
- ☐ Directions (map link)

Rules:

- No links to city-based SEO pages
 - No excessive links to other locations
-

3. Page Structure

SECTION 1: Hero / Orientation Block

Purpose

Immediately establish legitimacy and location clarity.

Must Include

- ☐ H1: Facility name + location
- ☐ Short subheadline describing the facility

- ☐ City + state clearly visible
- ☐ Optional: exterior or facility image

Rules:

- No marketing hype
 - No keyword stuffing
 - No city-ranking language
-

SECTION 2: Address & Contact Information (Critical)

Purpose

Remove doubt about whether this is a real place.

Must Include

- ☐ Full physical address (NAP consistent)
- ☐ Phone number
- ☐ Embedded map
- ☐ "Get Directions" link

Placement Rules

- Must appear high on the page
 - Must be easily scannable
-

SECTION 3: Location Overview

Purpose

Explain what this facility is and who it's for.

Must Include

- ☐ Brief description of the facility
- ☐ Type(s) of care delivered at this address
- ☐ Who this location is best suited for
- ☐ Trust-first, informational tone

Rules

- No outcome claims
 - No superiority language
 - No sales framing
-

SECTION 4: Services Available at This Location

Purpose

Connect “where care happens” to “what care is offered.”

Must Include

- ☐ List of services actually available here
- ☐ Links to Tier 1 service pages
- ☐ Availability framing (“Available at this location”)

Rules

- Do NOT explain services in depth
 - Do NOT list services not offered at this facility
-

SECTION 5: Proximity & Service Area

Purpose

Acknowledge nearby demand without creating risk.

Allowed

- ☐ One short paragraph mentioning nearby cities

Example:

“Located in [City A], serving clients from [Nearby City B] and surrounding areas.”

Rules

- No city subheadings
- No separate city sections
- No SEO-driven geo paragraphs

SECTION 6: Trust & Legitimacy Signals

Purpose

Reinforce credibility in a regulated healthcare space.

Must Include (at least one)

- ☐ Real facility photos
- ☐ Accreditations or licenses
- ☐ Staff or leadership mention
- ☐ Facility-specific testimonials (if available)

Rules

- No stock-only imagery
- No anonymous claims

SECTION 7: Conversion Support (Secondary)

Purpose

Support action without competing with service pages.

Allowed

- ☐ Call to Admissions
- ☐ Verify Insurance CTA
- ☐ Contact form link

Rules

- Secondary emphasis only
- No aggressive or urgent language
- No multiple competing CTAs above the fold

SECTION 8: Who Provides Care Here (E-E-A-T)

Purpose

Demonstrate real people and accountability.

Must Include

- ☐ Admissions or clinical oversight mention
- ☐ Credentials where appropriate
- ☐ Optional: team photo or names

Tone

- Professional
 - Calm
 - Trust-oriented
-

SECTION 9: Compliance & Safety Disclaimers

Must Include

- ☐ Licensure or regulatory language (if applicable)
 - ☐ Emergency disclaimer
 - ☐ Privacy / HIPAA reference
-

SECTION 10: Footer-Level Local Signals

Must Include

- ☐ City + state reference
- ☐ Map or address repeat
- ☐ "Serving patients in [state(s)]" language
